Minutes of the meeting held on 10th February were accepted

Matters Arising

Adam had followed up “Walks and More” without success.

Offers of help to Cathy re Kaeidoscope will still be welcome. **Action ALL**

John produced a flyer for the ride on 21st March and it was agreed that this was excellent. There was some discussion on where to display this and future posters, including posting it on “Connect”. **Action Chris**

3 Future Events

21st March – Cathy will lead from WGC and Adam from Hatfield – Adam has done a risk assessment and passed it to Cathy so she can do her route.

17th April – after some discussion, it was decided to cancel a ride on this date.

22nd May – not going to attend the school fete.

5th June – there will be a ride to the Steam Traction Rally at Oaklands College, St Albans.

4 Routes

Adam had received a reply regarding cycle paths/bridleways in the Brookmans Park area. Apparently the intention is to upgrade the footpath alongside the railway from Brookmans Park to Potters Bar, via the veterinary college. Richard was able to show the OS map of the area using his laptop connected to the large screen.

The Stanborough Lakes route is finished. The Hatfield Station link is progressing well and should be in use by Easter.

An interesting discussion followed about other local routes and projects, helped by Richard’s projected maps.

5 Any Other Business

Nil of note
