Hatfield, Comet Way to Homestead Rd Link,
December saw the construction of a short but useful link from the A1000 Comet Way to Homestead Road, Birchwood.
This is only 50m of path, but it provides a link from a quiet street in the heart of the estate to the main Hatfield-Stanborough-WGC cycle route. Thanks to Adam and Councillor Maureen Cook for getting this done. The land is owned by Welwyn Hatfield Housing Trust who funded the work.
